

September 2020

To our Current, Past and Future Nanuet Chamber Members,

As the Nanuet Chamber President, it has been a wonderful and challenging year.

Our Chamber is grateful to all our businesses, individuals and non-profits that have continued to work during this not so normal time and through all the changes in our community.

My board and I would like to "Thank You". Thank you for giving us the opportunity to continue to promote, advertise and work with you during this time. We are humbled with the generosity and donations we have received to help us as we support our local essential workers.

We are working hard to bring back "a new normal" as we continue to support and promote your business and our community. We would like to hear from you on we can do from our chamber to help continue to grow and build our relationship together. We want our community to thrive, we need to continue to grow and most of all we need you to know that we are always here for you.

Whether you are a current member, or looking to become a member, we love having you as part of our Greater Nanuet Chamber Family. I hope you will continue your membership with us, join if you have not and come back if your membership expired and be part of our Greater Nanuet Chamber Family. We look forward to bringing to you all the amazing benefits we have to offer and that you can offer to your community as we become stronger and better together.

More information and details can be viewed on our website [www.nanuetchamber.com](http://www.nanuetchamber.com) and follow us on Facebook along with our Nanuet High School Junior Chamber of Commerce and their Facebook and Instagram pages to get to know us better and see what we are doing for our Greater Nanuet community. We know how special you are, and we hope you know how much we are looking forward to seeing you again.

If you have any questions, please feel free to contact me at 914-434-7349.

Thank you,

*Susan G. Farese*
